

MANZANITA CREEK

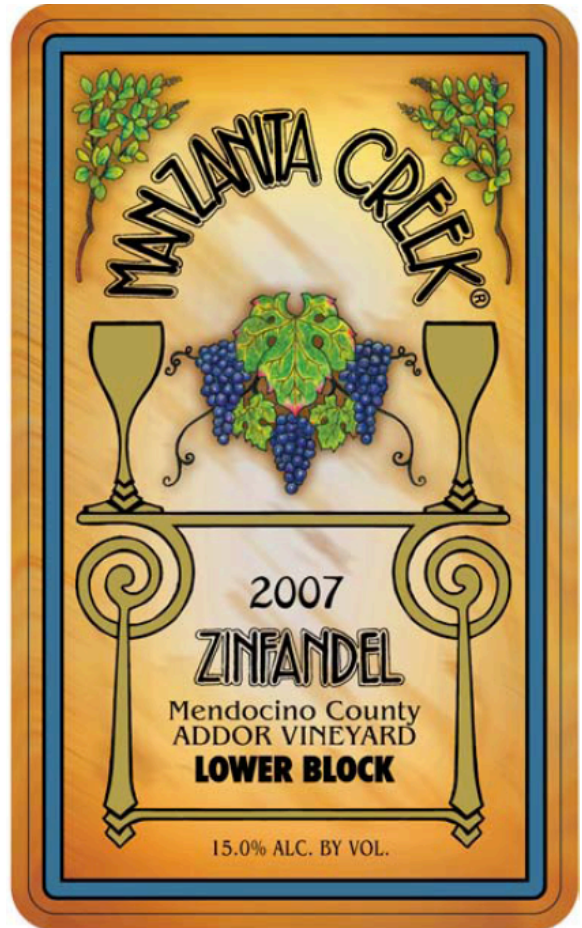

2 0 0 7

ADDOR VINEYARD
LOWER BLOCK
ZINFANDEL

The 2007 Addor Vineyard Zinfandel is produced from the lower block on Felix Addor's property, this block was planted 12 years ago. The lower block used to be Carignan planted in the 1930s, Felix decided to plant Zinfandel in its place. We now control the (old vine) "upper block" as well.

This is an uberrich Mendocino Zinfandel, is has wonderful berry-cherry fruit, black pepper and Chocolate in the nose. Lush acidity and a long exhilarating finish

Manzanita Creek Zinfandels are among the finest wines produced. We age our Zinfandels in carefully chosen oak barrels for 18 to 32 months. Our attention to detail is relentless, our dedication is obvious.
